Dear hiring manager,

I am an efficient professional who has been consistently praised as diligent by my co-workers and management during my profession. My every developed a skill set directly relevant to the slot role junior scientist that you are hiring for. I had done an internship at a multinational company for one year. During the internship, I worked on several projects of government and also completed two of my own projects. Also I belong to strong analytical, communication skills, problem solving

I look forward to elaborating on how my specific skills and abilities will benefit your organization, I can be contacted at +8801814758742 or via mdakbar758742@gmail.com

Sincerely

Mohammed akbar hossen.
